ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on July 13, 2009. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

EXAMINER'S ANSWER, HEADINGS

A review of the file indicates that the Examiner's Answer filed March 10, 2008, does not comply with the guidelines provided in MPEP § 1207.02 because it does not contain all of the required heading items. Specifically, the Examiner's Answer is missing the Related Proceedings Appendix.

Correction is required.

CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

- 1) issue a PTOL-90 correcting the Examiner's Answer filed March 13, 2009, to include the Related Proceedings Appendix; and
- 2) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
